JCHS Signature Programs

Signature programs at JCHS bring academic learning, student passions, community service and social justice into focus. JCHS offers a curriculum designed to prepare students to be active global citizens in a complex, diverse, and fast-paced world. For more information about each of these programs, go to jchsofthebay.org.

EVERLAB
EVERLab is a hands-on integration lab that uses design thinking to encourage students to coalesce ideas about different subject areas to develop tangible interactive projects.

TEFILLAH
Students begin each morning in a structured reflective setting, with options ranging from creative experiences to art, yoga to discussion, formal prayer to journaling.

9TH GRADE SEMINAR
Our 9th grade seminar helps students learn how to build relationships, make healthy decisions, manage stress, and improve executive functioning and study skills.

JOURNEYS
The Journeys combine learning with a multi-day experiential adventure designed to teach life lessons on the road.

SENIOR KEYSTONE PROJECT
The senior Keystone Project is a culminating educational exercise that provides students with the opportunity to design and implement a multi-faceted project on the topic of their choice, demonstrating the culmination of four years of learning at JCHS. Each senior then presents their Keystone Project to the school community.

PHYSICAL EDUCATION
Students must complete 1.5 credits of Physical Education to graduate. There are three ways a student can receive PE credit.

SERVICE LEARNING
Over their four years, students gain the knowledge and skills to offer effective and meaningful service in our communities, grounded in dignity and understanding.
