JCHS Signature Programs

Signature programs at JCHS bring academic learning, student passions, community service and social justice into focus. JCHS offers a curriculum designed to prepare students to be active global citizens in a complex, diverse, and fast-paced world. For more information about each of these programs, go to jchsofthebay.org.

TEFILLAH

Students begin each morning in a structured reflective setting, with options ranging from creative experiences to art, yoga to discussion, formal prayer to journaling.

FRESHSEM

Our 9th grade seminar helps students learning how to build relationships, make healthy decisions, manage stress, and improve executive functioning and study skills.

SENIOR KEYSTONE PROJECT

The senior Keystone Project is a culminating educational exercise that provides students with the opportunity to design and implement a multi-faceted project on the topic of their choice, demonstrating the culmination of four years of learning at JCHS. Each senior then presents their Keystone Project to the school community.

JOURNEYS

The Journeys combine learning with a multi-day experiential adventure designed to teach life lessons on the road.

PHYSICAL EDUCATION

Students must complete 1.5 credits of Physical Education to graduate. There are three ways a student can receive PE credit.

SERVICE LEARNING

Over their four years, students gain the knowledge and skills to offer effective and meaningful service in our communities, grounded in dignity and understanding.
