JCHS offers a curriculum designed to prepare students to be active global citizens in a complex, diverse, and fast-paced world. For more information about each of these programs, go to jchsofthebay.org.

TEFILLAH

Students begin each morning in a structured reflective setting, with options ranging from creative experiences to art, yoga to discussion, formal prayer to journaling.

PHYSICAL EDUCATION

Students must complete 1.5 credits of Physical Education to graduate.

FRESHSEM

Our 9th grade seminar helps students learning how to build relationships, make healthy decisions, manage stress, and improve executive functioning and study skills.

SERVICE LEARNING

Over their four years, students gain the knowledge and skills to offer effective and meaningful service in our communities.

SENIOR KEYSTONE PROJECT

The senior Keystone Project is a culminating educational exercise that provides students with the opportunity to design and implement a multi-faceted project on the topic of their choice, demonstrating the culmination of four years of learning at JCHS. Each senior then presents their Keystone Project to the school community.

PATHWAYS OF ENGAGEMENT

Customize your educational journey while contributing to the common good. Choose either a self-directed community-impact project in the Jewish community OR complete one more Jewish Studies/Hebrew class.
