

VOLUNTEER AT A JCCSF PRESCHOOL

Our play-based preschools are inspired by the principles of the Reggio-Emilia Approach and guided by Jewish values and culture.

This role is perfect for high school students passionate about education and eager to make a positive impact.

As a volunteer, you will:

- Engage with children in various activities, fostering their creativity and social skills
- Assist teachers in preparing and organizing for activities
- Encourage a positive and inclusive environment where every child feels valued and supported

This opportunity allows you to gain hands-on experience in a nurturing educational setting, develop leadership skills, and contribute to the growth and development of young learners. Join us and be a part of creating joyful learning experiences for preschoolers!

Students must have a current TB test to volunteer. Our schools are in Laurel Village, Inner Richmond and Park Merced.

If interested in a volunteer position, please reach out to Kelly Dotson, kdotson@jccsf.org or 415-750-3460
